

THIS BUSINESS COLLECTS A  
VOLUNTARY 1% DONATION IN SUPPORT  
OF OPEN SPACE PROJECTS IN  
GUNNISON COUNTY.

*Please request this donation be removed if you do not wish to contribute.*

1% for Open Space raises funds to protect Gunnison County's spectacular viewsheds, recreational opportunities, wildlife habitat, ranching heritage, rural lifestyle, and watershed and ecosystem integrity.

Funds are raised through the over 100 participating businesses that agree to collect a voluntary donation from customers on products and services. Any organization working to permanently preserve open space land and recreational opportunities may apply for these funds.

Since 1997, 1% has collected millions of dollars to protect thousands of acres in areas like Paradise Divide, Kebler Pass and Schofield Park; popular trails such as the Lower Loop, Lupine Trail, and Rec Path; and working ranches like the Rozman Ranch in Crested Butte and the Peterson Ranch in Gunnison.

THANK YOU FOR TAKING THE OPPORTUNITY  
TO HELP PRESERVE THIS REGION'S  
MAGNETIZING BEAUTY, CULTURE AND  
INSPIRATIONAL OUTDOOR OFFERINGS.
